HOMECOMING IS GREAT SUCCESS

The Old Rochester Bulldogs thrilled the homecoming fans with a 26 to 22 victory on the football field over Seekonk. After a scoreless first half both teams came on strong in the second half making a very close finish of the game.

On our cover are the winning floats of the homecoming parade. All four of the competing floats were colorful and beautiful with a super effort by all who built them. The seniors took first place with a giant St. George Bulldog slaying a glittering dragon. The float was so huge that a detour had to be arranged to take it around

SOPHOMORE

the wires and onto the field. The juniors took second place with the Wizard of OR complete with Dorothy, the Lion and Tin Man, all following her down the yellow brick road. On this page is the sophomore effort with a young King Arthur pulling Excalibur from its scabbard of stone and featuring an excellent castle. On page four is a photo of the freshman float which took the Olympics for the theme with the entwined rings. The whole theme and execution of all floats was super and appreciated by all who attended.

MATTAPOISETT SELECTMEN'S MEETING
OCTOBER 22, 1991-by VIRGINIA MORGAN

At the brief selectmen's meeting last Tuesday, it was announced an article to get voter approval to cross the road (Angelica Road in the Point Connett section) for a septic system is not needed for the December 2nd Special Town Meeting. It was originally thought that Kathleen Riley and Edward Butler would require an easement from the town (which requires voter approval) to construct a home on the east side of Angelica Road and dig up the road to pipe a septic system to a separate lot on the west side of Angelica Road.

Selectmen were informed by Ms. Riley that a Board of Health perc test performed last week on the house lot (east side) was favorable and that the second lot will not be needed. Ms. Riley extended her thanks to the selectmen for assisting her in the matter.

In other business, Selectmen:

HEARD A REPORT from Executive Secretary Carol Adams on a joint meeting of all town department heads and Ray Slight and Dennis Perry, representatives of ComElectric Company.

Town department heads expressed satisfaction with the ComElectric crews that were in town during and after Hurricane Bob. The report noted that because they were stationed at the town fire station it made them more accessible; the broken wires were cut at a swift pace which enabled the town highway department and tree warden to get fallen trees removed from roadways with no danger from the electric wires.

Mrs. Adams noted the utility company did not show any immediate interest in plac-

According to comments from Mattapoisett's Health Agent Dale Barrows, the town has already initiated its own disposal section section for composting leaves and has been stockpiling white goods to be taken about every six months at no charge to the town. "This new ruling by SEMASS will have no effect on Mattapoisett," Mr. Barrows said.

A check will be made with the National Guard on its availability to assist towns in river cleanup.

An ounce of prevention can sometimes be worth a pound of cure. In the case of a highway vehicle breakdown or medical emergency, a driver's "ounce of prevention" may be that safety banner, previously tucked away in the glove compartment of his or her vehicle, which could be taped to the rear window of the vehicle, and would request a passerby to notify the police.

Unlike the combination alert signal/sun shades available on the market, these banners are clearly designed for one purpose only, and are recognized as such by officials.

Another advantage to this kind of alert sign is that anyone needing to tape the banner to the inside of the back window of the vehicle may not even have to leave the vehicle to affix it, adding an extra measure of safety. A motorist would then be able to stay in his or her locked vehicle until official help arrives.

Safety banners are now available for $2. each at the Mattapoisett and Marion Pharmacies, the police departments in Marion, Mattapoisett and Rochester, and the New Bedford Women's Center.

A not-for-profit venture, the banner project has been endorsed by the police chiefs of the tri-town area, and was sponsored by the Benjamin D. Cushing Post 2425 of the Veterans of Foreign Wars in Marion, the Damien Council of the Knights of Columbus in Mattapoisett, the Rochester Lions' Club, and the Marion and Rochester Police Officers' Associations. Additional help in preparing the banners for distribution was provided by Friendly Harbor Day Care Center.

Local children's author Lyn Hoopes will return this year on Wednesday, November 6th, from 3 to 4 p.m. In addition to autographing copies of her newest book, My Own Home, Ms. Hoopes will have copies available for purchase of some of her older books which are no longer generally available.

Woman's Club Anniversary

Photos and story by Virginia Morgan

Festive balloons gave a feeling of gaiety at the Mattapoisett Congregational Church's Reynard Hall on Thursday, October 17th, as the Mattapoisett Woman's Club celebrated its 50th anniversary. A gathering of past presidents, honored guests and club members renewed friendships and chatted about the accomplishments of the club's past 50 years.

President Lee Yeaton conducted the meeting and welcomed the guests and members. She symbolically cut the celebration cake, which was later cut and served.

Of the three surviving charter members from the club's first meeting on October 27, 1941, Marjorie Root was the only one attending. The other charter members are Thelma Knight and Phyllis Pelson, also a past president.

The Woman's Club handbook describes the club's objectives as Educational-Philanthropic-

It doesn't look like sunscreen. But it is. Because this high-tech film blocks up to 99% of ultraviolet rays. Rays that ruin fabrics and furniture. The way they damage your skin.

LLumar® is a transparent window film that chemically bonds to the glass. It helps prevent fading, but lets light shine through. So LLumar protects what's inside, without blocking your view outside. That's why it's the clear answer.

The annual Candidates' Night held jointly with the Mattapoisett Lions' Club enables the public to hear the views of candidates for local offices.

Social covers a multitude of activities: first and foremost are the monthly meetings held both in the afternoon and, starting a few years ago when the need was recognized, an evening division for members who work during the day. The social groups are very active and include gourmet, gardening, genealogy, bowling, bridge and literature; something for everyone. Great Decisions brings together women and men to discuss foreign policy issues. The Fine Arts Group takes trips to museums, concerts and other cultural events.

despite the club's name (Woman's Club), there is no reason why men cannot join. She said, "We have nothing in our by-laws that says 'only women',' adding that men participate in some of the special interest groups.

The Woman's Club handbook also describes past presidents, saying, "On them and their high endeavor the light of praise shall shine forever". As President Yeaton read the names of the past presidents attending and they rose to be recognized, she said, "They have given so much support over the years and they continue to give the club support." They include: Evelyn Jenks, 1988-1990; Dorothy Verville, 1986-1988; Jane Breton, 1984-1986; Kay Levine, 1982-1984; Norma Holt, 1980-1982; Mary Jean

Ms. Macrina said, "Your club offers something for everyone and you have accomplished so much in these past 50 years - a great milestone. Some people feel when they retire they will do nothing, but three or four months later, they want to do some-

Mrs. Yeaton presented Ms. Macrina with a check for the library at the New England Shelter for Homeless Veterans, in recognition of GFWC/MA President Graham's favorite project.

In greeting a new member, Barbara Thommen, Mrs. Yeaton said, "on behalf of the club I welcome you and four other new members." The other four new members were unable to attend. They are Judith McFetters, Lisa Howard, Joan Bruno and Deborah Vokelkamp.

The special program for the day featured Frances Mazerolle, consultant, lecturer and teacher of astrology. As members and guests arrived they sat at tables designated with their astrological signs. During the program Ms. Mazerolle went from table to table explaining in general terms the characteristics of persons born under each sign. She said explanations were only general because the planet under which each person was born and the hour of their birth made a difference in each person's traits.

During the social hour Mr. Jim Leach entertained with appropriate piano music.

Arranging the program and decorating the hall with flowers and festive balloons were co-chairmen Marilyn Randall and Audrey Thornton. Mr. Leonard Randall made the signs for each table and Theresa Corey painted the astrological names.

The Tea Committee was under the co-chairmanship of Jackie McCarter and Lorraine Carr. Gene Waterhouse conducted the invocation and Zeta Caine served as greeter.

Mrs. Murray, ways and means chairman, reported the community calendar project, which is the club's fund-raiser for scholarships, is now at the printer. "The results were not as good as last year", she said, "but we realized $3,500 which will be a big help towards our scholarship awards."

17th Century Church Service

IN NORTH ROCHESTER

The New England Daunce Companie will conduct an authentic seventeenth century church service on November 3rd at 10 a.m. in the old North Rochester Congregational Church, 247 North Avenue, Rochester.

"Celebrating the Thanksgiving and Harvest through the eyes of seventeenth century settlers" is the theme, and authentically costumed "pilgrims" will take over the whole service, from greeting worshippers at the door, singing genuine hymns of the era, and conducting a strong puritan service.

The public is welcome to join the "meeting" and stay for coffee and refreshments which will also be "period correct".

Coffee with the Principal

Robert C. Gardner, Principal of Old Rochester Regional Junior High School, announces his first "Coffee with the Principal" on Wednesday, October 30th, at 10:00 a.m. in the school library.

Topics to be discussed at the Coffee will include Policies, Homework issues, Chaperones, Observations and Apprehensions, Student Handbook, Cooperative Learning, Heterogeneous Grouping, Volunteer Enrichment Program and Chapter 1.

All parents of 7th and 8th grade students are invited to attend.

J. Hiller Ludmann Dies

Jennie Hiller Ludmann, whose "Mattapoisett Memories" delighted so many Presto Press readers, died on Saturday, October 26th, at the Dartmouth Hitchcock Medical Center in Hanover, New Hampshire.

Born in Mattapoisett in 1987 she stirred a lot of memories with her stories of the Horse and Buggy Days.

She attended Wellesley College and in 1921 went to France to assist in organizing Youth Hostel Camps across the country. She met her husband-to-be, Oscar Ludmann, in Alsace-Lorraine on the border with Germany.

Oscar followed Jenny home and they set up housekeeping and raised a family in the Chicago area. Jenny attended Northwestern University and embarked on her career as Social Worker.

Later she moved to her beloved farm, Piermont Place, in central New Hampshire. She became a staff member of the New Hampshire Aid to Dependent Children Program. Hers was a familiar face to many downtrodden families throughout the hills and valleys of central New Hampshire as she zoomed around in her little white Volkswagen

Bug on her errands of mercy and assistance.

But Mattapoisett was always home to Mrs. Ludmann and hardly a year went by that she didn't spend a few days or weeks in Mattapoisett visiting friends and family.

Jennie was a remarkable woman who lived life to the fullest for over 90 years.

Funeral services will be held at Ricker's Funeral Home in Woodsville, NH at 1:30 p.m. Wednesday, October 30th.

Jennie's son Jacques and daughter Jeanne have established the Jennie Hiller Ludmann Educational Fund in memory of their mother who spent her whole life helping others. Hopefully, many disadvantaged children will continue to get a higher education although Jennie is no longer here to see to it herself. Contributions may be made to the JHL Fund, P.O. A Memorial Service is planned in Mattapoisett at a later date.

Positive Discipline Program

After viewing Richard D. Lavoie's tape, "F.A.T. City", Barbara Bush stated, "I was so moved by your presentation and would love to think that every teacher and parent in America could see it too!"

On October 4th every teacher in the Mattapoisett, Marion and Rochester District viewed this educational tape on the academic problems and emotional trauma that learning disabled children face.

On November 18th at 7:30 in the Old Rochester Regional High School Auditorium, Mattapoisett, Richard D. Lavoie will be the featured speaker for everyone. Sponsored by the ORR School District Special Needs Parents Advisory Committee and NBIS, he will speak on the topic, "Positive Discipline for Home and School".

Currently the executive director of Riverview School in Sandwich, MA, Mr. Lavoie is a nationally known educator and lecturer on parenting skills and learning difficulties. He is also a consultant in special education and learning disabilities to 400 schools across America, the National Center for Learn-

The behavior/discipline topic was chosen by the MMR ORR SPED PAC for Mr. Lavoie in the hope that it would appeal not only to the parent and professional dealing with the learning disabled child, but with all children in general. It is hoped that this important issue will bring together a wide audience.

To register for tickets please clip the form which appeared in the October 16th issue of Presto or send $4.00 per person with name address and phone number to Anise Oliviera, 137 Brandt Island Road, Mattapoisett, MA 02739. Please make checks payable to MMR-ORR SPED PAC.

SIGN LANGUAGE COURSES

The Friends of the Elderly will continue to sponsor Sign Language courses, both adult and Saturday morning classes for children. Textbooks for the adults have been donated by the Mattapoisett Lions' Club and the textbooks for the children have been donated by The Friends of the Elderly of Mattapoisett.

If the need is there and a parent cannot afford the $50.00 fee, we are constantly trying to obtain sponsors. At the present time our sponsors have been St. Anthony's Church Guild, the Acushnet Teachers' Association, and our most recent sponsor, the Telephone Pioneers of America (Pilgrim Chapter).

The Friends wish to personally thank Ann M. Mullen of the Telephone Pioneers of America for her time and effort. Thanks to her, two more children are learning sign language.

Anyone interested in future classes may contact Vivianne Surprenant at 758-6451 or Nancy Fleming at 758-6900.

UMass Library Computerized

One half-million books, journals, magazines, audio and video tapes, compact disks, films, albums and art slides are now instantly accessible through the University of Massachusetts Dartmouth Library's computerized catalog.

Officially online September 1st, the library staff spent nearly five years transferring the drawers of individual cards to computer tape, barcoding each item, then getting the whole system up and running on the university's VAX computer. Cataloger Pearl Szatek said they are presently "cleaning up" any bugs in the system.

The online card catalog is accessible to library users through terminals in the library, and through computers in faculty and staff offices. By January the circulation desk will also be computerized so that books can be checked out and returned electronically.

The computerized catalog was funded,

The Coalition for Buzzards Bay invites bay-area residents to nominate deserving candidates for its Buzzards Bay Guardian Award. Given annually and on special occasions, this award is for "outstanding service in the stewardship of this magnificent estuary entrusted to our care".

Candidates for consideration should have demonstrated outstanding service in the cleanup, restoration, and protection of Buzzards Bay. Their work may be as a citizen volunteer or as a public official or employee and may involve education, advocacy, community activism, or indeed any activity that furthers the health of the bay. Some of the areas of particular concern to the Coalition include household hazardous waste, septic system maintenance, boat waste, wetlands, stormwater runoff, growth management, by-laws and other environmental regulations, wastewater treatment, shellfish and finfish enhancement, economic development consistent with protection of the bay, and the overall awareness of citizens on their responsibility in caring for the bay.

Please write to us at P.O. Box 268, Buzzards Bay, MA 02532, giving the name of the candidate, 50 words or less on why you feel your candidate should be considered, your name and phone number. Address your nomination to: Buzzards Bay Guardian Award Committee. Deadline for nominations is November 30th. The award will be given

Volunteerism Encouraged

WBZ ASSEMBLY AT ORR

On Friday, October 18th, WBZ in conjunction with the Thomas Jefferson Forum presented an assembly at Old Rochester Regional High School. The program entitled "Who Cares?" is aimed at encouraging students to become involved in volunteer community service. It is funded by Stop and Shop, Dunkin' Donuts, and WBZ. The assembly at ORR featured David Whitman of WBZ and Boston-based comedian Jonathan Groff. Their goal is to dispel the myths of community service and let students know volunteer service can be fun and educational as well as rewarding.

As a result of the assembly seventy students signed up to participate in some type of community service project. Last year approximately thirty-five students were involved in the program and twenty-three have already begun their projects this year. The Community Service Program began at ORR last year and is coordinated by guidance counselor Barbara Meehan. In addition, the program has an adult advisory board that includes Reverend Raymond D. Patch, Janice Brazil, Carolyn Cardoza, Alan Bare, Dr. Samuel McFadden, Nancy O'Brien, Dianna

Last spring ORR became a member of the Thomas Jefferson Forum, a non-profit organization that provides support services for thirty high schools that have established community programs. The forum provides workshops for students and coordinators, arranges assemblies, and offers suggestions and guidelines for community service projects.

Old Rochester students have participated in a wide variety of community service projects. Some of those projects include tutoring, reading to visually impaired senior citizens, Brownie troop aides, Special Needs Aides, delivering birthday cakes to tri-town citizens over ninety, hospital volunteers, Big Brother/Big Sister, school office aides, CCD instructors, Special Olympics assistants, day care aides, and after school activity aides for elementary students. The students who have participated found the experience positive and rewarding and have encouraged others to participate. Any tri-town resident wishing more information or having suggestions for community service projects should contact Barbara Meehan at 758-3745.

Mattapoisett Board of Appeals

DECISIONS ANNOUNCED

Two special permits granted by the Mattapoisett Board of Appeals were announced October 22nd.

The application of Georgia S. Glick of Lexington to build an addition to an existing two-story, single-family dwelling at 21 Noyes Avenue in the Waterfront 30 District was granted for the non-conforming structure.

A June 10, 1991 Appeals Board decision denied the application request for a special permit to construct an addition to the building. The new proposal submitted June 27, 1991 represents significant changes. The proposed alteration includes a one-story 15 foot by 14 foot addition to the southeast corner of the dwelling with five sides so as not to create a blind corner on the irregular-shaped lot. The stairway leading to the sunroom would be removed.

A report from a certified engineer indicates the applicant intends to improve the existing septic system; replace the existing 100 gallon cesspool and leaching pit with a 1,000 gallon septic tank. The proposed plan has received approval from the Board

of Health and the Conservation Commission. The proposed system represents a substantial improvement over the existing subsurface sewage disposal system.

The following conditions were imposed: the existing riser septic tank be pumped and removed; and that a 1,000 gallon precast concrete septic tank be installed and used in conjunction with the existing low diffusers and leaching pit.

The application of Pauline H. and Audrey Mostrom of Brockton seeks to make alterations to an existing non-conforming single-family dwelling on the applicants' property at 58 Shore Drive in the Waterfront 30 District.

The applicants propose to add a shed dormer to the existing one and one-half story dwelling to house two bedrooms and a full bath on the new second floor. As part of the renovation, the applicants propose to remove a wall between the living room and one of the existing first floor bedrooms to form an expanded living room area. Also proposed is to convert the other first floor bedroom into a utility room for the furnace and washer/dryer which are presently located in the foundation area and which were damaged by the recent hurricane. Mr. St. Pierre has had previous solo exhibitions at the Marion Art Center, Laval University, the Swain School of Design and Southern Illinois University. His most recent group exhibitions include "Beyond Tradition" at the Fitchburg Art Museum, "LIttle Jewels" at the Nicole C. His prints are in the collections of the Canadian Art Bank, Ottawa, Ontario, Canada, the Cabinet des Estampes in Geneva, Switzerland and Laval University in Quebec.

Peggi Medeiros, Gallery Director, notes, "Although this is his first solo exhibition here, Marc St. Pierre has been a member of the Nemasket family since we opened in 1985. He has participated in both of our benefit art auctions and was an important element in the success of our January 1990 exhibition, Into the Ink, which showcased printmaking artists working on glass, wood, paper and fabric." She went on to say, "All of the pieces in Fields and Constructed Signs have been made especially for this solo exhibition and we are all excited that the Massachusetts Cultural Council through the Fairhaven and New Bedford Arts Lottery Councils have made it possible for us to produce an invitation in color for Professor St. Pierre."

The public is cordially invited to the opening of this exhibit on Friday evening, November 8th, from 6:00 to 8:00 p.m. Refreshments, prepared by the members of the Nemasket Group, will be served. The ex-

Alvin Ailey Ensemble

COMING TO ZEITERION

One of America's most exciting young dance companies, The ALVIN AILEY REPERTORY ENSEMBLE, will be at New Bedford's Zeiterion Theatre on Saturday, November 9th, at 8:00 p.m. NYNEX Yellow Pages, a loyal supporter of the Zeiterion, is sponsoring this innovative dance company, having sponsored the smashing sold-out performance of "Sarafina!" last season.

This ground-breaking ensemble was established in 1974 as a performing company for vital and talented young dancers. Originally envisioned as a bridge from the classroom to the performance world blending elements of repertoire, technique and performance, the Repertory Ensemble has grown to become one of the most fascinating components of the Alvin Ailey American Dance Theatre.

Under the artistic direction of Sylvia Waters (a former Ailey dancer), the Repertory Ensemble has become a cohesive organization of artists and a dance company that is not only heir to Alvin Ailey's art, but is also a highly acclaimed performing ensemble in its own right. The company has a unique and exciting repertoire of ballets by such famed choreographers as Talley Beatty and Mr. Ailey himself, as well as works by emerging choreographers like Ralph Lemon, Kevin Wynn and Ulysses Dove.

Tickets are $11.50, $15.50 and $19.50; senior/student $2. discount; group rates
